## Corporate events

The Hic et Nunc cellar is a unique place for fascinating and intriguing training courses, meetings, Christmas dinners, and so on. The best chance to also give away a bottle of wine with a tailor made label.

## Weddings

Among the gentle hills of Monferrato, the Hic et Nunc winery rises. Already a suggestive place, it will be personalized to welcome and make such a special day unforgettable.

## Dinner among the vines

Wine lovers can fill their eyes with beauty and enjoy the ultimate food event: an under the moonlight dinner among the vines.

## Birthday in the cellar

You can visit the cellar; there will be wine tasting and dinner served or buffet-style. You can also tailor the event to suit the guest of honor's wishes.

## Themed cooking evening

Wine tasting, and a one of its kind menu are the sole ingredients for an incredible event. Celebrities, ambassadors of the Italian cuisine and culture throughout the world, can be invited and make the evening even more special.

## Art and culture in the cellar

Art showcases and exhibits, concerts and book signings; a visit to the winery and/or wine tasting are included.
